Uh oh, Uh oh, Uh oh, Uh oh,

Honestly

If a I tell, tell you what,

What you want to know love

There ain't another,

Don't want no other lover

I put nothing above ya.

I kick them to the gutter.

You try to shake me but wound up loving me crazy now

Look at us lately and tell them who's your lady

I'd never thought you'd be the one,

Make me shine brighter than the sun

There ain't no ups and downs,

No in and out to here right now.

If you want me to stay

I never leave

If you want me to stay

We'll always be

If you want me to stay

Love endlessly

If you want me to stay

If you want me to stay

I'll never leave you

Uh oh, Uh oh, Uh oh, Uh oh

Now all your loving that

We're happy it's a fact

Can't nothing hold us back.

We got this in the bag

There ain't no maybe

No questions ,love you daily now

Look at us lately and tell them who's your lady

I'd never thought you'd be the one,

Make me shine brighter than the sun

There ain't no ups and downs,

No in and out to here right now.

If you want me to stay
I never leave
If you want me to stay
We'll always be
If you want me to stay
Love endlessly
If you want me to stay
If you want me to stay
I'll never leave you
