Old school, new schools,  
New rules, you move, you loose  
Price of blood, no explanation just because  
When it come to me I recommend you blend in  
Them niggers front my shoe this is spend them  
Balls like the ceiling fake, yeah  
Ferrari 12, ...twisted in the street  
You can kiss the curve, they can kiss that bitch  
She got you walk with the niner,  
Fuck around get your ass, walk with the lama  
Come on, party people my style is terrific,  
My write is prolific, but let's be specific  
... specialize in music, I specialize selling guns ... nine  
and music  
Towards that run from the days that come back to it  
... bitch ... the next time I use it  
This is gutter down hood shit  
No question is that good shit  
You ain't felt like this in a minute  
Flow so sick I have niggers in the clinic  
I guess I should take you

For motivating me to do things you said I can't do  
You said I can't be number 1 all the time  
And I can't make my money stack up to the sky  
That I can't get licked by the baddest bitch  
That you lied to me man I'm mad as shit  
And I hate to be the one that say I told you so  
But I told you so and now I'm back in here

I love thank you, heavenly father  
For ... your life on me  
You send me ... love me  
And now just my body  
You kiss me happy so very happy  
He loves me, I throw my ...  
It's been a long time since I had someone who loves  
me  
I owe my thanks to thee  
And I know, I know it couldn't have happen without you,  
without you  
, uhu, without you, uhu

I know it couldn't have happen without you, without you,  
without your love, uhu  
I know it couldn't have happen without you, without you,  
uhu, uhu without you  
I know it couldn't have happen without you, without you
