NYPD, LAPD, NYPD (When it's on, that's who you get,  
huh?)

NYPD, LAPD, NYPD (That's your motherfuckin' click,  
huh?)

NYPD, LAPD, NYPD (You a motherfuckin' snitch, huh?)

NYPD, LAPD, NYPD

[Verse]

Niggaz wanna shine like me (me), rhyme like me (me)

Then walk around with a 9 like me (me)

They don't wanna do it, 3 to 9 like me

And they ain't strong enough to take 9 like me

Aiyoo, you think about shittin' on 50... save it

My songs belong in the Bible with King David

I teach niggaz sign language, that ain't def son

\*click\* \*click\* you heard that? That mean RUN

Ask around, I ain't the one you wanna stun on, pa

Pull through, I'll throw a fuckin cocktail at ya' car

From the last shootout, I got a demple on my face

It's nothin', I could go after Mase's fanbase

Shell hit my jaw, I ain't wait for doctor to get it out

Hit my wisdom tooth \*huck-too\* spit it out

I don't smile a lot, cause ain't nothin' pretty

Got a purple heart for war, and I ain't never left the City

Hos be like "Fitty, you so witty"

On the dick like they heard I ghostwrite for P.Diddy

You got fat while we starve, it's my turn

I done felt how the shells burn, I still won't learn

Won't learn

[Chorus 2X]

If you get shot and run to the cop - You not like me

You ain't got no work on the block - You not like me

It's hot, you ain't got no drop - You not like me

Like me duke, you not like me

[Verse]

Moma said..

Everything that happened to us, was part of God's plan

So at night when I talk him, I got my gun in my hand

Don't think I'm crazy, cause I don't fear man

Cause I feel when I kill a man, God won't understand

I got a head full of evil thoughts, am I Satan  
I been coulda killed these niggaz, I'm still waitin  
In the telly with to whores, a Benz with to doors  
32 carrots in the traws, no flaws  
You see me in the hood, I got atleast two guns  
I carry the glock, Tony carry my M-1s

Hold me down nigga, OGs tryin' to rock me  
D's waitin for my response to lock me  
This is my hustle, nigga don't knock me  
You need some shit with banana clips to try and stop  
me  
I'M THE ONE

[Chorus 2x]

If you get shot and run to the cop - You not like me  
You ain't got no work on the block - You not like me  
It's hot, you ain't got no drop - You not like me  
Like me duke, you not like me

[Verse]

See, I done been to the Pearly Gates, they sent me  
back  
The good die young, I ain't eligible for that  
I shot niggaz, I been shot, sold crack in the street  
My attitude is gangsta, so I stand some beef  
You wanna get acquainted with me, you wanna know  
me  
From 3 point range, with a glock, I shoot better then  
Kobe  
See a nigga standin' next to me, he probably my Co-D  
See a bitch gettin in my whip, she probably gon' blow  
me  
See the flow is like a 38, it's special yoooooo  
A country boy tell ya, I'm fittin' to blowwww  
I'm more like a pimp, then a trick, you knowwww  
See, I'm in this for the paper, I don't love the hooos  
Niggaz broke in the hood, worried about mines  
Grown ass men, wearin starter piece shines  
You know them little pieces, with the little stones  
Got little clientele fiends call your cell phones  
When the gossip starts, I'm always the topic  
You too old for that shit dog, why don't you stop it  
Shorty, I been watchin you watchin me  
Now tell me what you like more, my watch or me  
Haha

[Chorus 2x]

If you get shot and run to the cop - You not like me  
You ain't got no work on the block - You not like me  
It's hot, you ain't got no drop - You not like me

Like me duke, you not like me

\*Ad-libing to the end\*
