Hey Em, you know you my favorite white boy, right?
I, I owe you for this one

I been patiently waiting for a track to explode on, yeah!
You can stunt if you want and ya ass'll get rolled on, it's
Fifty!

If it feels like my flow has been hot for so long, yeah!
If you thinking I'm a fuckin' fall off ya so wrong, it's
Fifty!

I'm innocent in my head, like a baby born dead
Destination heaven, sittin' politic with passengers from
nine eleven
The Lord's blessings leave me lyrically inclined
Shit I ain't even got to try to shine

God's the seamstress that tailor fitted my pain
I got scriptures in my brain, I could spit at yo dame
Straight out the good book, look, niggas is shook
Fifty fear no man, Warrior, swingin' swords like Conan

Picture me, pen in hand writin' lines knowin' the Source
will quote it
When I die, they'll read this and say a genius wrote it
I grew up without my pops, should that make me bitter?
I caught cases I copped out, does that make me a
quitter?

In this white man's world, I'm similar to a squirrel
Lookin' for a slut wit a nice butt to get a nut
If I get shot, today my phone will stop ringin' again
These industry niggas ain't friends, they know how to
pretend

I been patiently waiting for a track to explode on, yeah!
You can stunt if you want and ya ass'll get rolled on, it's
Fifty!

If it feels like my flow has been hot for so long, yeah!
If you thinking I'm a fuckin' fall off ya so wrong, it's
Fifty!

I been patiently waiting for a track to explode on, yeah!

You can stunt if you want and ya ass'll get rolled on, it's
Fifty!
If it feels like my flow has been hot for so long, yeah!
If you thinking I'm a fuckin' fall off ya so wrong, it's
Fifty!

If ya patiently waitin' to make it through all the hatin'
Debatin' whether or not you can even weather the
storm
Unless you lay on the table they operatin' to save you
It's like an angel came to you sent from the heavens
above

They think they crazy but they ain't crazy, let's face it
Shit basically they just playin' sick
They ain't shit, they ain't sayin' shit, spray 'em Fifty
A to the K get in the way I'll bring Dre and them wit me
And turn this day into fuckin' mayhem, you stayin' wit
me?

Don't let me lose you, I'm not tryna confuse you
When I let loose wit this Uzi and just shoot through your
Isuzu
You get the message? Am I gettin' through to you?
You know what's comin' you motherfuckers don't even
know, do you?

Take some Big and some Pac and you mix 'em up in a
pot
Sprinkle a little Big L on top, what the fuck do you got?
You got the realest and illest killas tied up in a knot
The juggernauts of this rap shit, like it or not

It's like a fight to the top just to see who'd die for the
spot
You put ya life in this, nothin' like survivin' a shot
Y'all know what time it is, soon as Fifty signs on this dot
Shit what you know about death threats, 'cause I get a
lot

Shady Records was eighty seconds away from the
towers
Them cowards fucked wit the wrong building, they
meant to hit ours
Better evacuate all children, it's nuclear showers,
there's nothin' spookier
Ya now about to witness the power of fuckin' Fifty

I been patiently waiting for a track to explode on, yeah!
You can stunt if you want and ya ass'll get rolled on, it's
Fifty!

If it feels like my flow has been hot for so long, yeah!
If you thinking I'm a fuckin' fall off ya so wrong, it's
Fifty!

If the gun spark I'll hear all of the shots go off
It's Fifty, they say it's Fifty
See a nigga layed out wit his fuckin' top blown off
It's Fifty, man that wasn't Fifty, don't holla my name

You shouldn't throw stones if you live in a glass house
And if you got a glass jaw you should watch yo mouth
'Cause I'll break yo face
Have yo ass runnin' mumblin' to the jake

You goin' against me dog, you makin' a mistake, I'll
split ya
Leave ya lookin' like the Michael Jackson jackets wit all
them zippers
I'm the boss on this boat, you can call me skipper
The way I turn the money over, you should call me
flipper

Yo bitch a regular bitch, you callin' her wifey
I fucked and feed her fast food, you keeping her icy
I'm down to sell records but not my soul
Snoop said this in ninety four, we don't love them hoes

I got pennies for my thoughts now I'm rich
See the twenties spinnin' lookin' mean on the six
Niggas wearin' flags 'cause the colors match they
clothes
They get caught in the wrong hood, they filled up wit
holes motherfucker

I been patiently waiting for a track to explode on, yeah!
You can stunt if you want and ya ass'll get rolled on, it's
Fifty!
If it feels like my flow has been hot for so long, yeah!
If you thinking I'm a fuckin' fall off ya so wrong, it's
Fifty!

I been patiently waiting for a track to explode on, yeah!
You can stunt if you want and ya ass'll get rolled on, it's
Fifty!
If it feels like my flow has been hot for so long, yeah!
If you thinking I'm a fuckin' fall off ya so wrong, it's
Fifty!
