Chorus : 50 Cent

Homey if I go to hell and you make it to heaven  
Just get me to the gate, and I'll talk my way in  
Got a gift, I'm special with the flow I'm good  
Shit, I done talk my way out of the hood  
Homey if I go to hell and you make it to heaven  
Just get me to the gate, and I'll talk my way in  
Got a gift, I'm special with the flow I'm good  
Shit, I done talk my way out of the hood

50 Cent

Now if you followed my footsteps and walked through  
my shoes  
You wouldn't go against me cause you know you would  
lose  
It's been along time comin I done paid my dues  
Now everytime I turn around it's like I'm back in the  
news  
I know alot of niggaz want me wearin cement shoes  
And Uncle Tom niggaz wanna see me locked up to  
Around the same time KRS was writin Black Cop  
I was busy tryin to pump cracks in the black blocks  
Poppin shit to my homeys about how my gat pop  
Got rid of that chrome thing and got back a black glock  
P ninety hold ten but I had six shots  
I used to walk around with it and risk gettin knocked  
I bought a fresh box of bullets from Old Man Sam  
Wanted to shoot a nigga so bad it was itchin my hand  
Some shot it out with me, and some of them ran  
And some of them dashed were good and some of  
them jammed

Chorus : 50 Cent

Homey if I go to hell and you make it to heaven  
Just get me to the gate, and I'll talk my way in  
Got a gift, I'm special with the flow I'm good  
Shit, I done talk my way out of the hood  
Homey if I go to hell and you make it to heaven  
Just get me to the gate, and I'll talk my way in  
Got a gift, I'm special with the flow I'm good

Shit, I done talk my way out of the hood

Havoc

Now if you take a good look and look into my face  
And if they wouldn't even dare to violate my space  
Som I did so much dirt I'm tryin to clean my slate  
And ate so many niggaz food and now they want mines  
ate

The dogs bark when I walk and since the souls I took  
Moms pray for me with her right hand on the good  
book

Saw shots fly by me no I shouldn't been trippin  
The Pulp Fiction must have been God's divine  
intervention

Wouldn't thought then from that, I learned my lesson  
And clean my act up and go straight to perfection  
Uncle La got knocked the feds hit it with seven  
And left me with the fifty cal and a mac eleven  
Start everything from everything from heads to the  
worries

And had half the hood damn near watned to mirk us  
Found myself askin God what the fuck is my purpose  
You go to heaven, know I'm foul but put a good word in

Chorus : 50 Cent

Homey if I go to hell and you make it to heaven  
Just get me to the gate, and I'll talk my way in  
Got a gift, I'm special with the flow I'm good  
Shit, I done talk my way out of the hood  
Homey if I go to hell and you make it to heaven  
Just get me to the gate, and I'll talk my way in  
Got a gift, I'm special with the flow I'm good  
Shit, I done talk my way out of the hood

Prodigy

Now homey if I go to hell and you make it to the pearly  
gates

Tell the boss man we got beef

And tell his only son I'm a see him when I see him

And when I see him, I'm a beat him like a movie

For leavin us out to dry on stariught poverty

For not showin me no signs they watchin over me

Yo ! We a new breed in two thousand six

We don't give a fuck about that religious bullshit

Nigga show me where the cash at

The nice whips with the three car garage to fit them  
shits

Man my life is painful, pray to angels

I'm prayin to myself hopin I ain't got to spank you

My bullets shank you, and when my guns start cuttin,  
ain't nobody 'gon save you

In the bible times, they ain't had to deal with the shit  
We dealin within, these survival times

Chorus : 50 Cent

Homey if I go to hell and you make it to heaven  
Just get me to the gate, and I'll talk my way in  
Got a gift, I'm special with the flow I'm good  
Shit, I done talk my way out of the hood  
Homey if I go to hell and you make it to heaven  
Just get me to the gate, and I'll talk my way in  
Got a gift, I'm special with the flow I'm good  
Shit, I done talk my way out of the hood
