(When you breakin' it down, keep breakin' it down)
This is what it sounds like when I'm breakin' it down
Yeah, I'm breakin' it down
Man, this is what it feels like when I'm breakin' it down
(When you breakin' it down, keep breakin' it down)

It's not my fault
It's not fault
(I'm hot man)
It's not my fault
It's not my fault

Till the sun comes up every night
We party and we party 'til daylight
We be gettin' it in, come on, we gettin' it in
A lil' Hennessey, a lil' juice and gin

It's not a fantasy, it's not pretend
We gon' do it, we gon' do it, we gon' do it again
Till the sun comes up every night
We party and we party 'til daylight

I shouldn't have to tell you, shorty, you should know
I'm really been lookin' into yo' freak show
You gimme a little baby and I'ma want mo'
O.D.B. said that I like it raw

Exotic her body been movin' on the flo'
Enough to make a nigga lose control
I'm down to go wherever you wan' go
You got a man now keep it on the low

I do my thing, you know I waste my dough
I got a few stacks me and you can blow
We get into the hotel after the show
I know how to romance you, be my private dancer, yeah

On your mark, get set, girl, now here we go
Racin' off to see your peep show
It turn me on to see you on the flo'
When you breakin' it down, keep breakin' it down

Ready or not, shorty, now here I come
Shake that thing, girl, now back it up
Work it, work it, girl, you turn me on
When you breakin' it down, keep breakin' it down

They say I'm not the same it's 'cause I'm filthy maybe
I'm off the chain I don't play no games
I'm hustlin' hard, homie, I do my thang
You fuck wit' the paper then watch the hammer go
bang

Now shorty I like the way she move them hips
I'm tryna get her in my bedroom and shit
We can take a long time or get it done quick
We can camcord the shit make a boom-boom flick

It's, oh, so many places that we can go
I really want you, shorty, shorty, now you should know
Girl, your body's callin' me hear you loud and clear
We ain't got to leave now we can do it right here

On your mark, get set, girl, now here we go
Racin' off to see your peep show
It turn me on to see you on the flo'
When you breakin' it down, keep breakin' it down

Ready or not, shorty, now here I come
Shake that thing, girl, now back it up
Work it, work it, girl, you turn me on
When you breakin' it down, keep breakin' it down

The way you move
(The way you move)
You make me lose
(You make me lose)
All control
(All control)
I know you know
(I know you know)

You're so seductive, you make me wanna touch it
I ain't got to tell you, you know I wanna fuck you
I'm feelin' your style, you better watch me now
My tongue'll be in your mouth, my hands'll be in your
blouse

When you get me aroused you put a spell on me
Man, if I can't have you I'ma go crazy
I want you bad now and if you want me
Girl, come to me now, I said come to me now

Come to me now? You gon' come to me now?
Apple in your mouth, tackled on the couch
Shackled in the house, I'll be back in about
Twenty minutes or less wit' my Hannibal mask

And when you wiggle around and giggle in that cage
I know I couldn't wait to get you off that stage
From the moment I met you had to let you know
I just wanted to get you through my bedroom do'

You makin' me feel like I'm in middle school still
You squeal like a little girl you pitiful, chill
We gon' fuck, I just popped this little blue pill
You can leave but wait, I gotta shit on you still

I shouldn't have to tell you, shorty, you should know
I hope you really gettin' into my creep show
Let me shit on your chest and if some pee comes out
Just guzzle it down, just guzzle it down

On your mark, get set, girl, now here we go
Racin' off to see your peep show
It turn me on to see you on the flo'
When you breakin' it down, keep breakin' it down

Ready or not, shorty, now here I come
Shake that thing, girl, now back it up
Work it, work it, girl, you turn me on
When you breakin' it down, keep breakin' it down

It's not my fault
It's not my fault, I can break it down
It's not my fault
It's not my fault, can you break it down?

It's not my fault
It's not my fault, I can break it down
It's not my fault
It's not my fault, can you break it down?

It's not my fault
