(Verse 1)

On these streets, who you meet  
Depens on your defeat, Of hip hop with no beat  
Just rapping on and on, until all your fans have gone,  
And then the game is on, until all the fame has gone,  
Yeah,

(Chrous)

Just 'cause i'm a gangsta,  
Don't mean i won't thanks ya  
Just 'cause i'm a gangsta,  
Don't mean I won't thanks ya,  
Just 'cause I blast nines,  
Don't mean I won't take my time,  
Don't mean I won't take my time,

(Verse 2 )

Just 'cause you may be, a f\*\*kin' fine lady  
Slimmer than slim shady, with a phat ass, baby  
50 cent will still treat you right, 50 will still hold you  
tight  
Lick your p\*\*\*y every night

(Chrous)

Just 'cause i'm a gangsta,  
Don't mean i won't thanks ya  
Just 'cause i'm a gangsta,  
Don't mean I won't thanks ya,  
Just 'cause I blast nines,  
Don't mean I won't take my time,  
Don't mean I won't take my time,  
Just 'cause you a pranksta,  
Don't mean I will rank ya,  
Just 'cause i'm a gangsta,  
Don't mean I won't thanks ya
