Puppy Love  
50 Cent

Call It Puppy Love Curtis and Tisha in the tree  
K-I-S-S-I-N-G  
She was pregenant by me once glad she didn't have it  
Cause I be paying child support now god damn it  
Tish was my bitch, til she fucked my god brother  
I was heated when I heard, wanted to go upside his  
head  
It was christmas I just bought the bitch a sheepskin kid  
I was sick to my stomach nigga this is real shit  
I aint the sensitive type, I aint sit around crying  
I caught the bitch on the avenue and punched her in  
the eye  
Call it puppy love curtis and Janelle in the tree  
K-I-S-S-I-N-G  
D's came locked my ass up like a savage  
Then came Doobie in the baby carriage  
Imagine how it felt summerday pretty blue skies  
I gazed mesmerized at her in with green eyes  
Im so into you baby we don't even got touch  
That the type shit I say when I really want to fuck  
Cause her cousin Tisha lived by baby ?????????? forty  
Sold crack before rap so everbody know me  
Chase Jus down cut his head the motherfucker owe me  
Vick's spinning, Cheek's was the hottest rapper in the  
hood  
I ain't hate, but on the low I didn't think he was good  
We wore timberland boots, carhartt suits  
You can tell a nigga paid, when his filas shoes suede  
Ock a ceaser or a fade kept a pistol or a blade  
Try to flip a 62 like every couple days  
I get knocked I come home it's all a part of the game  
Catch a snitch, cut a snitch or put one in his frame  
Its like every other summer I was back and forth to jail  
Telling nanna Im copping out, so i don't need bail  
Just the convesary put the money orders in the mail  
Call it puppy love curtis and Deawn in the tree  
K-i-s-s-i-n-g  
Call it puppy love  
Call it puppy love

She came to see me on the alley, wrote me letters all  
the time  
And i responded to the letters so she stayed on my  
mind  
Told myself Ima grind  
As soon as I get out that paper what im about  
After 4 months home I had the Lan I shine  
2 months later I copped the benz my nine  
Stay all cocked even when it hot, TAZ out  
TNT on the block, make yourself get knocked  
I just love em and leave em, I don't give a fuck  
I mean she didn't give a fuck, she had a nigga in my  
truck  
Call it puppy love curtis and Shaniqua in the tree  
K-I-S-S-I-N-G
