[Chorus: Brooklyn]

I still be riding through the 'hood  
Brooklyn to Compton, it's all good  
From Southside Queens to Inglewood  
We representin' like we should

[50 Cent]

I'm hot boy, I told you before  
Got that Benz and that Hummer off the showroom floor  
I know you hate it when I pop up, wrist all rocked up  
In The 'hood, empty n\*ggaz locked up, they rats all  
knocked up  
Baby after baby, the 'hood is crazy  
N\*ggaz'll set you up and wet you up, trust me they  
shady  
Got a pet bulldog, I keep under my linen  
It don't bark, they spark when the revolver spinnin'  
We winnin'

[Chorus]

[50 Cent]

Hold up, hold up, get a good look at my rims  
God damn, look at them twenty-fours diamonds spin  
Now the D's, they harass me in the 'hood  
A few times, n\*ggaz try to blast me in the 'hood  
F\*ck it's all good  
Catch me in the coupe - on the lean  
Wit' needles and samples and diesels for the fiends  
The money stay on my mind, so I stay on the grind  
Plus n\*ggaz like to stun, so I stay wit' my nine  
I ain't the type n\*gga that be out, runnin' his mouth  
Talkin' gangsta and shit, with my gun in the house  
Now homie, you better get to know me better  
Before you be leakin' pints of blood into Iceberg  
sweater  
When the tails come flyin' up out the beretta  
You gon' feel like it's yo' fault and say "Man I knew  
better"  
Look dog, I don't play that shit  
I pull that thing out I'ma spray that shit  
That how I get down

[Brooklyn]

Brooklyn she's so sick in the hood  
Got these fat b\*tches get the spit in the hood  
Cause I throw diamonds, shot that fifth in the hood  
That's what you get for talkin' all that shit in the hood  
Yeah I'm still a minor, remember this  
Everything Brooklyn choppy broads still behind ya  
Brooklyn to Compton it's all good  
Get robbed, get shot, shit is poppin' in the hood

[Chorus] x2
