50, Nicole
It's just another one
Another number one

[50 Cent]

I'm complex, difficult to understand
I don't know if it's staged
It's just to make a better man
I wanna it in the morning
Right early I want it
I rise as the sunrise
Baby now get up on it
Give it to me good
Shawty work it like it should
You follow instructions
Then I follow instructions
The ultimate seduction
More kissing and touching
Feels super natural
First chance I'm at you

[Chorus]

Come here baby and be my baby
And be my baby oh oh oh
Come here baby put your hands on my body
Hands on my body oh oh oh
Right there keep it right there
I love it when you put it right there oh oh oh
Yeah yeah oh oh oh
Yeah

[Nicole - Verse 1]

Me like the way that he push up on me
Me like the way that he goin' down down down down

Never gonna let no girl steal him from me
Never gonna let a girl get that close now
I tell'em eh eh don't too close now

[50 Cent]

I like it when you freaky
I'm freaky
I'll explore your body completely

'Til you feel like you need me
Chest to chest
I reckon I get to kiss you in neck
Come correct to make a sweat
It's making us wet
Say my name, say my name
Positions we change
I ain't joking girl, I'm stroking
I ain't playing no games
Jackpot, backshot
Still roughly taken
My pleasure is pleasing you
You should feel the same too

[Bridge]

Do we know how to work it?
You got that got that
Put it on you work it
You got that got that
Do you feel good for your let down good for you yeah
He got that got that
All my girls if you mad put it down let me hear you say

All my ladies if you mad put it down let me hear you
say yeah
Do we work now like you like that?
When you got up on that you do you right back?
Say yeah all my girls say yeah

[Chorus]

Come here baby and be my baby
And be my baby oh oh oh
Come here baby put your hands on my body
