50 Cent]

N-gga this is ground hog day  
Back to buying coke  
I'm ill, no Doc, no diagnosis  
No cure, I smell fear

[50 Cent - Verse 1]

N-gga my eyes don't cry, my heart so cold  
Lets play, lets make a deal n-gga, sell me your soul  
Got a fetish for the guns, Calico drums  
Rap Meyer Lansky steady counting my ones  
Death dealer, Heron, meth dealer  
Top biller, point blank, I'm that n-gga  
Barrell smokin?, fiend smokin?, rims cokin?  
Out on that 550 Benz, bitch is open  
Inhale, exhale, feel a different high  
Andrew McQueen shirt and jeans, this a different fly  
Presidential time, n-gga watch the Rolie shine  
No need for pens and paper, this here, whats on my  
mind

[Chorus]

I know she wants a playboy  
I don't think you should f-ck with me  
I'm shooting right away boy  
Find out when you run up on me  
I'm riding with that K boy  
I put that on my dead homies  
I spray it right away boy

Fiund out when you run up on me

[50 Cent - Verse 2]

When n-ggas shot me, I must have bled out my  
conscience  
Go ?head play boy, I bang that thing at you like ronson  
I feel for you n-ggas I'm back now  
I told you n-ggas ?03 I don't back down  
Me still a rookie, nah, I'm more like veteran  
I bet ya our part is full of n-ggas I'm better than  
Magician I make rounds turn to cash, kush turn in to  
ash

Heads turn into ass, my bum n-gga the class  
Thats me in a nutshell, run tell I did it  
Interrogation hours go on, I wont admit it  
Got cash coming out of my ass, I'm so compelling  
These n-ggas act hard till you hit ?em, they start tellin?

[Chorus]

I know she wants a playboy  
I don't think you should f-ck with me  
I'm shooting right away boy  
Find out when you run up on me  
I'm riding with that K boy  
I put that on my dead homies  
I spray it right away boy  
Fiund out when you run up on me
