[Intro]

I'm so disrespectful, so so so disrespectful  
I'm so disrespectful, so so so disrespectful

[Verse One]

Your daddy fucked your mama then fucked your sister  
Then climbed in the bed playin with your sugar  
Go 'head, take your belt off and hang yourself  
Matter a fact grab your strap and bang yourself  
Jay's a big man, he's too big to respond  
I'm a big dick you know the one everybody's on  
You 'gon make me sing Murder Was The Case  
Pull this richter shit PING PING should you start to face  
I'm international I'm never home mayne!!!  
I've been gone so long my accent changed  
You better watch who you fuck with mate  
Or you 'gon make me carve your ass up now straight  
Come on Game you will never be my equal!  
Your homies shoot, doors my niggas shoot people!  
See me I'm what you never 'gon be  
I'm in that tax bracket you never 'gon see

[Chorus]

When you cross me, I'm so disrespectful, so so so  
disrespectful  
See! I get so disrespectful, so so so disrespectful  
When you cross me, I'm so disrespectful, so so so  
disrespectful  
See! I get so disrespectful, so so so disrespectful

[Verse Two]

That nigga Buck a fiend, tell momma he done smoked  
the TV  
I ain't know he fucked with more dope than B.G.  
Plus a nigga sipped more syrup than Pepsi  
Man keepin these muthafuckers rich ain't easy  
Especially when a nigga wanna stunt like Jeezy  
And his CDs' didn't sell like his CDs'  
Man, that nigga blew all of his chips on dem breezies  
Mad 'cause the world won't treat him like Weezy  
Look I don't give a FUCK, nigga please believe me  
No nigga in no vocal booth around can see me

It's crazy how I make this shit look oh so easy  
They say, "50, naw I don't fuck wit him, he oh so greasy  
Yeah, he used to share that paper now he oh so  
greedy"  
It's funny how they shit on niggas, then they need me  
See me I'm number one, I'm loadin up my gun  
I catch ya if you done, you pussy nigga run

[Chorus]

When you cross me, I'm so disrespectful, so so so  
disrespectful  
See! I get so disrespectful, so so so disrespectful  
When you cross me, I'm so disrespectful, so so so  
disrespectful  
See! I get so disrespectful, so so so disrespectful

[Verse Three]

They say first comes love, then comes marriage  
Instead I got Shanequa in a baby carriage  
Then came the cash then the baby mama drama  
I gave that bitch a half a mill she blew it on Prada  
I remember when I met the bitch and she ain't have  
nada  
Got my son on some fly shit, now I gotta buy shit  
Man I can't even flaunt shit cause everybody want shit  
Everybody mad, DAMN even my dad  
And I don't even know him now how the fuck I owe  
him?!  
I ain't given nobody shit I'm a show them  
I gave Game hits and told me to suck dick  
Start screamin Westside and Dre ain't say shit!!!  
Now we just eat off him, and when I talk to Em  
A smile comes on his face, he told me here's the case  
Enemies stay enemies but friends they change  
Niggas go crazy over money my mayne!!!!

[Chorus]

When you cross me, I'm so disrespectful, so so so  
disrespectful  
See! I get so disrespectful, so so so disrespectful  
When you cross me, I'm so disrespectful, so so so  
disrespectful  
See! I get so disrespectful, so so so disrespectful
