I put the g in g-unit baby i got game
Heady bo good to go and i don't know your name
Is it the wheels on the hot car meals from the shark bar
Or you just wanna quickie with a rap star
Ladies tell the truth you know im cute
But what really turns you on is the rims on my coupe
Before you jump in my whip and you get dropped off

We goin to the telly and you gettin popped off
I can't stop thinkin of the things you do
When your freakin me and im freakin you
I said the ice on my neck make the shortys stare
Baby let me fly you in my leer
Stop slow down baby if you hear this in the club shake
and go down baby
Its past my curfew but parole don't know
Tear up the club don't call my p.o.

You know them black and them white and the asian

I can't stand when a dime act anti-social
Gucci,lip gloss,louis vutton,and the boots from batego

Yayos a don my car european
You got mirrors in your pants cause i can see me in um
Listen i piss out cris inhale haze
In the Marriot gettin laid all day
Tattoos and piercings and rings in your tongue
Shorty things like that will make my black ass cum

Im in this club with a tre pound star
Don't blame it on dave that I'm all iced out
Cause 50 got me rich so the bar priced down
