I stay gangtered up

Niggas that got shit on me

And I stay wit my gat

Incase i got to pop somebody

G-Unit click, ur blind if u can't see

That we run the streets

Nigga u better ask somebody

(Tony YaYo)

I got a rifle with a scope in the trunk of the viper

So I shoot off the roof like the DC sniper

I just bought a ? and a bran new piece

And a level 2 vest and a bran new piece

These young hip hop nigga don't want no beef

They'll get shot and draged to the hip hop police

Nigga to guns up, I'll run up on your label

Why is your gun in your house like a house potato?

(Yeah!)

(Hook)

(Lloyd Banks)

These hoes don't want me to stop, But this is the worse  
part

I was born with this game, Like birthmarks

I dont' trip, But i'm going to get alittle watch from my  
modeling chick

Because she spent alot of time on my dick

Bringing in a new fan every single time that i spit

? loving every dimond i get

Fast and fury in a red rover, As my bread folds

Beef i'll hit ur neck, Turn ur jewlery into red gold

(Hook)

(50 Cent)

I'm from the bottom man  
Nigga's know i came up hard  
I got a temper man, I'm looking for some shit to start  
Man my tax record changed, I'm sitting on some  
change  
The hoes man they changed, They don't treat me the  
same  
It's not my looks that got me all up in them draws  
It's the new M3 with the Lamborghini Doors  
And my ememys they turned into dogs  
Smell a leak in my clothes , Shorty be barking at me  
Woah!

I own it to a friend tonight, Jam Master Jay  
Rest In Peace, I send my love to his family
