Spare with me start some shit send the shooters out
Come out the club we out front with the Ruegers out
Nah ain't no sense to talkin peace my brotha
That beef will probably send your monkey ass to see

It was five of us, ALL of us millionaires
Now one's a fuckin junkie, and one's a fuckin queer
Now it's three of us, that's the way we started
They call me crazy, cold-blooded and BLACK-hearted

long enough!!!
When they bump heads with me, they find out the guns
do bust!!!
