[Chorus]

[50 Cent]

I'll teach you how to stunt
My wrists stay rocked up
My TV's pop up in a Maybach benz
I'll teach you how to stunt
Nigga you can't see me
My bently GT got smoke gray tints
I'll teach you how to stunt
My neck stay blinging, my rims stay gleaming, I'm
shining man
I'll teach you how to stunt
I see you scheming, nigga keep on dreaming, I hurt ya
mans
I'll teach you how to stunt

[50 Cent]

Seven series BM, Six series benz
Twenty-four inches, Giovanni rims
R1 one wheel when I'm on one of them
Ma, that boy out there actin a fool that's him
They say I've changed man, I'm getting paper, I'm
flashy
They like me better when I'm fucked up and ashy
My royalty check's the rebirth of Liberace
Stunt so hard, everybody got to watch me
And I don't really care if it's platinum or white gold
As long as the VS bling, look at that light show
In the hood they say Fifty man your sneaker look white
yo
Just can't believe Reebok did a deal with a psycho
Banks is a sure thing, yall niggaz might blow
I'm fittin to drop that, so I suggest you lay low
Buck, he from Cashville, Tenneckee nigga
Gettin them ten a key, save ten for me nigga

[Chorus]

[Lloyd Banks]

I'm sensing a lot of tension now that I'm rappin
But the kids used to look up to you, what happened?

Me on the contrary, hand covered with platinum
Different color coupes but I'm in love with the black one
On point, cuz you get R.I.P.'s when slacking
So the stashbox big enough to squeeze the mack in
Yeah, I'm fairly new but I demand some respect
Cuz I already wear your advance on my neck
I'm fresh off the jet, then I breeze to the beaches
Blue yankee fitted, G-Unit sneakers
I already figured out what to do with all my features
Decorate the basement, full of street sweepers
When it comes to stuntin' there's nothing you can teach
us
We're in a different time zone, your records don't
reach us
Naww, I ain't here to save the world, just roll up a blunt
Come with me out front, I'LL TEACH YOU HOW TO
STUNT

[Chorus]

[Young Buck]

Chain so icy, you don't have to like me
In a throwback jersey, with the throwback nikes
I know you probably seen me with Cash Money from
back in the days
The only thing changed is the numbers on the range
I bought me an old school and blew out the brains
The Roc the Mic tour, I threw off my chain
My sprewell's spinning man, I'm doing my thing
And whodi now in trouble now that you in the game
Come on now, we all know gold is getting old
The ice in my teeth keep the crystal cold
G-Unit homie, actin' like yall don't know
Look, I can't even walk through the mall no more
I just pull up, get out, and get all the hoes
They never seen doors lift up on a car before
Don't be mad at me dog, that's all I know
That's how to show these fougaisies how it's supposed
to go

[Chorus]
