Ay Ay Ay Ay Ay Ay
Woohoo Woohoo
Ay Ay Ay Ay Ay Ay
Woohoo Woohoo

I belong with just me just
Watchin TV and I'm always
Oh so bored at home
I get up I get out drive my car
Go out town
Keep on calling but your never around
See my friends out tonight
Other pieces of life At the club
And someone starts a fight
Then we get in the car
They don't know where you are
I'm so pissed off
Always hanging around

I'm so tired

Your fire is so jealous restless
That's just me.
I'm so crazy lately c'mon just
Let it be...
Don't make me beg for the things
I need
You know they say
When there's a Will there's a Way
Life are weak.
Talking Cheap

Ay Ay Ay Ay Ay Ay
Woohoo Woohoo

Now were out on the street
And were sweatin' the beat
And we move with the traffic and the beat
I don't care if your jump when
Your light

Your smoke is the one think

That I need
It's so tragic

I so many is so jealous restless
That's just me.
I'm so crazy lately c'mon just
Let it be...
Don't make me beg for the things
I need
You know they say
When there's a Will there's a Way
Lifes are weak.
Talking Cheap

Ay Ay Ay Ay Ay Ay
Woohoo Woohoo

I'm so Tired

Your fire is so jealous restless
That's just me.
I'm so crazy lately c'mon just

When there's a Will there's a Way
Lifes are weak.
