50 Cent - The Longer Kiss Goodnight/Look What You Made Me Do (Rowdy Rowdy Remix)

Now if I pull out the gat and just push your wig back
I bet niggaz will stand around sayin "Damn who did that?"

I'm the type nigga to dare you to touch the jack
I'm the type to borrow your gat and wont give the shit back

Im F to the I - F - T - Y - C - E - N - T

Caress the ass gently, and back up Bentleys
You thought she was pimpin, son I was in the Hamptons
In a heart shaped hot tub with the bitch flappin
I plan to take over New York and start expandin
Was Bob Marley singin about tex when he sung "I'm Jammin'"

Nigga fuck with my cash and I'ma blast yo' ass
Smash the glock out the stash in the dash in mash
Flee in a flash, lay low let time go past
If you survive the shots I'ma find yo' ass
Put the gat to your head and remind your ass
I ain't playin with you, I want my money motherfucker

Yo, some nigga just shot the block up dog, word?
He had the same shit you got on dog, word?
I know you done did it so get the fuck up outta hear, ya heard?

I run with niggaz that spray and strip and say that shit
You won't let us pump on your block, fuck it, we makin it hot

I'm that nigga that call the shots, with the iced out watch

From the cordless cell phone, and the baby blue drop
I got a lot of hungry niggaz with me straight from the street

Industry niggaz are startin to look like something to eat
They got watches on they wrist that cost like 60 thousand

My niggaz live in section eight of public housing
They murder you and keep shit low cause niggaz heard of you

(Some Unknown Lyrics Here)

Yo, your man could have ran when I robbed him but he
froze

Son I ain't even rock him to sleep, the nigga dozed
The bitch could have helped you get rich, but she sold
Now you heartbroke, that's what you get for lovin them
hoes

An I'll flow with no beat, is incomplete, it's like a stickup
kid

Runnin round without no heat, it like a fifth with no kick
A fiend with no hit, a willie with no wit

A bad bitch that won't blow dick

It's like a rollie with no ice, a gamblin spot with no dice
Like fuckin supermodel bitches and not bustin off twice
I murda any mic device, for the right price, I'm nice
I only say things once, never twice, don't fuck with me
