*[somebody talkin']*

Yo, Red Spider...  
Is that 50 Cent and Pac ready?  
Lemme know, holla

*[2pac]*

It's go'n be some stuff you go'n see  
That's go'n make it hard to smile in the future

*[50 Cent]*

Yea nigga...ha ha  
Lets go nigga, dis is what it is  
Tupac cut his head bald, then you want to cut yo head bald  
Tupac wear a bandana, you wanna wear a banadana  
(what do we have here now)  
Tupac put a cross on his back, You wanna put crosses  
on yo back  
Nigga, you ain't Tupac

*[2pac]*

Is it  
Money and women, funny beginning's tragic ending's  
I can make a million and still not get enough of  
spendin'  
And since my life is based on sinnin', I'm hell bound  
Rather be buried that be worried, livin' held down

*[Snoop]*

Yo, that shit is crazy Whoo Kid  
Bring that motherfucking beat back man

*[2pac]*

It's go'n be some stuff you go'n see  
That's go'n make it hard to smile in the future

*[50 Cent]*

Yea nigga...ha ha  
Lets go nigga, dis is what it is  
Tupac cut his head bald, then you want to cut yo head

bald

Tupac wear a bandana, you wanna wear a banadana  
(what do we have here now)

Tupac put a cross on his back, You wanna put crosses  
on yo back

Nigga, you ain't Tupac

*[2pac]*

Is it

Money and women, funny beginning's tragic ending's  
I can make a million and still not get enough of  
spendin'

And since my life is based on sinnin', I'm hell bound

Rather be buried than be worried, livin' held down

My game plan to be trained in

Military mind of a thug lord sittin' in a cemetery crying

I've been lost since my adolescence calling for Jesus

Ballin' as a youngster wondering if he see's us

Young black males

Crack sales got me three strikes

Livin' in jail this is hell enemies die

Wonder when we all pass, is anybody listnin'

Got my hands on my semi shotty, everybody's snitchin'

Please god can you understand me, bless my family

Guide us all before we fall into insanity

I'm makin' a point to make my beatin' bumpin' raw life

Drop some shit to make these stupid bitches jaw tight

*[50 Cent (2pac)]*

Till makaveli return it's all eyes on me- on me (what do  
we have here now)

And you can hate it or love it, but that's what it's go'n  
be- go'n be

Shoulda listened, I told you not to fuck wit me- wit me  
(what do we have here now)

Now can you take the pressure, that's what we go'n  
see- go'n see

*[50 Cent]*

This is a cry for mercy, I promise

My success would be the death of you

Low and behold, you sold ya soul, there's nothing left  
of you

Look in the mirror, ask yourself, who are you

If you don't know who you are, how could ya dreams  
come true

Motherfucker, I sat backed and watched ya, you  
pretended to be Pac

You pretended to be hot, but you not, now (now)

I see it so clear, you can't take the pressure, you pussy

I warned you not to push me  
You see me, and chills, run up ya spine  
GOD made menace in war, but ya heart ain't like mine  
And plus, they look at me like I'ma menace  
I was playing wit guns, while ya momma had you punk  
ass playing tennis  
I'ma nightmare, you see me in ya dream  
Wake up, and turn on ya t.v. and see my ass again  
You cowardly hearted, you couldn't make it on ya own  
FUCK THE SOURCE, I'M ON THE COVER OF ROLLIN  
STONE

*[50 Cent (2pac)]*
