Come up to meet ya, tell you I'm sorry
You don't know how lovely you are
I had to find you, tell you I need ya
And tell you I set you apart
Tell me your secrets, and nurse me your questions
Oh let's go back to the start
Running in circles, coming in tails
Heads on a science apart

Nobody said it was easy
It's such a shame for us to part
Nobody said it was easy
No one ever said it would be this hard
Oh take me back to the start

I was just guessing at numbers and figures
Pulling the puzzles apart.
Questions of science, science and progress
Don't speak as loud as my heart.
Tell me you love me, and come back and haunt me,
Oh, when I rush to the start
Running in circles, chasing tails
coming back as we are.

Nobody said it was easy
It's such a shame for us to part
Nobody said it was easy.
No one ever said it would be so hard
I'm going back to the start.
