Ha Ha Ha...Ja Thinks he's gonna shoot me..(50 Cent)  
Let's take care of the murda mothafuckas. (Lloyd  
Banks)

(Lloyd Banks)

Yo You call Yourself murderers but U aint never killed  
And Irv's really fat, never missed a meal  
U better watch it, our gangstas loading up  
Leave NYC now or get the fucked up.  
We'll kill your whole crew, leave the three women  
Empty out Ja, let Ashanti have a nice big dinner (slurp)  
I never knew there could be so much pussies  
So little veterans, these murderer rookies  
Ride Wit Us? Is That A Song  
Chink in The Water all day long hiding his thong  
No Use, Your careers over  
You'll get the full effect of my loaded up ruder  
My 45's stashed in my dresser  
I got my shotty, AK, and ready to impress her  
Charlie looks like a new Michael Jackson  
She'll get nine nice bullets the next Curtis Jackson  
How dare you even mention our name on a track  
Looks like you've been doin a little too much crack  
Ja you need a down chick? You need to run  
Who knows what might happen when I let off my gun (I  
DO)  
We'll enter your bulding. ask your dumb guards for  
permission  
(Guard) Aren't You 50, Yayo: Time to learn a lesson  
(gunshots)  
Enter your dwellin area let off some clips  
See Ja hanging limply, Irv wit a bag of chips  
Blood sqirting the ground, Ashanti startin to cry  
Whats funnier, Irv didnt say Goodbye  
Jody and Crack are already runnin  
I'll catch up though, out two in thier skulls bitch  
This is real beef, dont confuse it  
Bullets screwed your rap, your life, Irv you are losin

Chorus: (50 Cent)

These Murderas (Thinkin They Are Hott)  
These Murderas (Are about to get Shot)  
These Murderas (Aint look so damn big)  
These Murderas (I'm that young ass kid)

Tony Yayo

These Murderas, yo they just really frightened  
When they see the size of my shotty, only hightened  
I aint never scared probably cuz i got a 12 guage shotty  
Kill Ja and ashanti put five in Irv Gotti (HA HA)  
Is the x a little too much for you?  
I think, but Irv aint got nuttin to do.

Gun Shots for 0:28
