[Intro]

Look at what they did to me, they burn me
They turn me, into an animal
They flipped son, they burn me
To the first degree, me son, they hurt me
I looked out for them motherf-ckers, they burn me
I was good, now I'm bad, see they done turned me
Into a monster, I can't believe they burn me
I showed you love, they showed me hate
They burn me
Now I'm heartless, ya pain don't concern me

[Verse 1]

I got so many enemies, so many memories
So many flashbacks, we used to be friends
Sugar turned to sh-t, people just change
They keep pushin' a nigga, til the hammer go bang
You violate I will let that motherf-ck rang
Feels like money came, then more money came
And n-ggas start foamin out the mouth, growin fangs
Now when did I become the saviour of the hood?
Look homie, you don't know me, I wouldn't save you if I
could
I sacrifice for suckers and they change me I'm angry
They selfish, all they want is what they want, so they
blame me (wow)
Like it's all my fault that they ain't caked up
You a grown ass man, damn when you gon' wake up?
Turn 7 to 14, 14 to 28, an O to 62
N-gga get up ya weight
Learn how to duck the jake, stack ya paper then ya
straight

[hook]

I try to help, they mad a n-gga eat, man it's hard out on
the street
Cuz they kinda think i'm weak (they burn me)
They see the way I grind and they like the way I shine
They want the paper like mine (they burn me)
Man they be on some sh-t, when they tryin to hit a lick
man a motherf-cker flip
(so they burn me)

You think they won't trip, cuz you helped them from the
rip, they ain't loyal to sh-t

[Verse 2]

She call the cops on me, cuz I don't love her like I used
to

Try to fix what was wrong, guess it hurts cuz i'm gone
My son, he love me, but she try to poison his mind
Actin' like everything they got, ain't come from my
grind

I say a prayer for her, like god, please change her
heart

All this hatred at one time, it's tearin' me apart
Man, I ain't lookin for trouble, I'm lookin for blessins
But ever since the money came, me I been stressin
Got my ass kicked for being kind, I can't trust nobody
The closer they get to me, the more they take from me
Man i'm givin all I got to give, i'm tryin to live
They look at me, they eyes got dollar signs, they want
the kid

To give it all up, fall apart, break down

I ain't got much left, what they wanna take now?

My life? I got so much more to offer

I'ma make em watch me be number one til I'm done

[hook]

I try to help, they mad a n-gga eat, man it's hard out on
the street

Cuz they kinda think i'm weak (they burn me)

They see the way I grind and they like the way I shine

They want the paper like mine (they burn me)

Man they be on some sh-t, when they tryin to hit a lick
man a motherf-cker flip

(so they burn me)

You think they won't trip, cuz you helped them from the
rip, they ain't loyal to sh-t

[50 Cent]

They burn me all the way down

Betray me just because, I'm down

I don't know what to do now

Me, my loyalty's, what I'm bout (haha)

(They burn me)

Over and over and over

Like they doin what they supposed to (they burn me)

God damn look at how they do me

Somebody new tryna to sue me

(so they burn me)

(so they burn me)
