(Intro)

Look at what they did to me, they burn me
they turn me, into an animal
they flipped son, they burn me
to the first degree, me son, they hurt me
I looked out for my mother fuckers, they burn me
I was good, now I'm bad, see they done turned me
Into a monster, I tell you, they burn me
I showed you love, they showed me hate
they burn me
Now I'm heartless, the pain don't concern me

(verse)

I got so many enemies, so many memories
So many flashbacks, we used to be friends
Ain't that a bitch, how people just change
They keep pushin' a nigga, til the hammer go bang
You violate I will let that mother fuck rang
Feels like money came, then more money came
and niggas start foamin out the mouth, growin fangs
Now when did I turn my back on the hood?
Look homie, you don't know me, I wouldn't save you if I
could
I sacrifice for suckers and they change right up on me
They selfish, all they want is what they want, so they
blame me (wow)
like it's all my fault that they ain't caked up
You got all this money, damn when you gon' wake up?
Turn 7 to 14, 14 to 28, a o to 62
nigga get up and hustle yo way
get the product, dump the jake, stake the paper then
ya straight

(hook)

I try to help, they mad a nigga eat, man it's hard out on
the street
cuz they kinda think i'm weak (they burn me)
they see the way i grind and they like the way i shine
They want the paper like mine (they burn me)
man they be on some shit, when they tryin to hit a lick
and a mother fuck flip
(so they burn me)

you think they won't trip, cuz you helped them from the
rip, they ain't loyal to shit

(Verse)

She call the cops on me, cuz i don't love her like i used
to

Try to fix what was wrong, guess it hurts cuz i'm gone
My son, he love me, but she tell 'em boy you is mine
actin' like everything they got, ain't come from my
grind

I say a prayer for her, like god, please change her
heart

All this hatred at one time, it's tearin' me apart
Man, I ain't lookin for trouble, I'm lookin for blessins
But ever since the money came, me i been stressin
got my ass in a fuckin bind, i can't trust nobody
the closer they get to me, the more they take from me
man i'm givin all i got, they fuckin me up, i'm tryin to
live

they look at me, they eyes got dollar signs, they want
the kid

to give it all up, fall apart, fuck it up

I ain't got much left, what they wanna take now?

my life? I got so much more to offer

I'ma make em watch me be number one til I'm done

(hook)

I try to help, they mad a nigga eat, man it's hard out on
the street

cuz they kinda think i'm weak (they burn me)

they see the way i grind and they like the way i shine

They want the paper like mine (they burn me)

man they be on some shit, when they tryin to hit a lick
and a mother fuck flip

(so they burn me)

you think they won't trip, cuz you helped them from the
rip, they ain't loyal to shit

(50 singin)

They burn me up, and push me down

Betray me just because, I'm down

I don't know what to do now

Me, my loyalty's, what I'm bout

(They burn me)

Over and over and over

Like they doin what they supposed to (they burn me)

god damn look at how they do me

somebody (???????????) to me

(so they burn me)

It could be your death day, get beside yourself, we
ain't cool, I think you better rewind yourself, before a
cemetery be where you can find yourself, so beat your
feet and let the door close behind yourself.
