{50 Cent}

New York City, you are know ridin with, with 50 Cent,  
you gotta love it  
I just wanna chill and twist a lot  
Catch sunshine in my 745  
You drive me crazy, shorty I  
Need to see you and feel you next to me  
I'll provide everything you need and I  
Like your smile, I don't wanna see you cry  
Got some questions that I gotta ask and I  
Hope you can come up with the answers babe

{Nate Dogg}

Girl, it's easy to love me now  
Would you love me if I was down and out  
Would you still, have love for me?

Girl, it's easy to love me now  
Would you love me if I was down and out?  
Would you still, have love for me?  
Girl...

[50 Cent]

If I fell off tomorrow, would you still love me?  
If I didn't smell so good, would you still hug me?  
If I got locked up and sentenced to a quarter century  
Could I count on you to be there to support me  
mentally?  
If I went back to a Hoop-D from a Benz  
Would you poof and disappear, like some of my  
friends?  
If I was hit and I was hurt would you be my side?  
If it was time to put in work would you be down to ride?  
I get out and peel a nigga cap and chill in drive  
I'm asking questions to find out how you feel inside  
If I ain't rap 'cause I was flip burgers in Burger King  
Would you be ashamed to tell your friends you're  
feeling me?  
In the bed, if I use my tongue would you like that?  
If I wrote you a love letter, would you write back?  
Now we can have a little drink, you know a Nightcap

And we can go do what you like, I know you like that

{Nate Dogg}

Girl, it's easy to love me now

Would you love me if I was down and out?

Would you still, have love for me?

Girl, it's easy to love me now

Would you love me if I
