Look at my chick, look at my whip look how my rims
move
Get a real good look, but don't scheme cause I got my

pistol
Platinum on wrist blue
Wrist poppin' bling green by the fist full
I'm smokin' chong good
Don't ride through the wrong hood
Unless you got a vest on
That Teflon
Like a don should
I'm rollin' sticky green
Every nigga with me clean
Strap got it tucked know what I mean?

[Chorus: 50 Cent]

[Verse 3: Tony Yayo]

Its the general homie thats commanding these
advances
My semi-automatic ravin'
Stay blazin'
The Rover be Etchel White
Shorty leaned over but i'm mad cause she got an over-
bite
I got your baby's mother
Movin' overloads of Coke
For Louey Vuitton minks, belts, bags and coats
Homie we enrich you're bitch or hood rat
Thats why my waves spinnin' in that G Unit hat

[Chorus: 50 Cent]
