(50 Cent verse)

I got a gambling problem, i bet you niggas am a be

I lost money when i bet on Roy, won money when i bet

I Bet you niggas think i won't be number 1 again,
I read the stakes, you know why i put mo' on the line
Its showtime i ama goin for my mine, you can bet that,i

before that crack, i bet my money stack
I bet yo bitch wana roll with 50, i bet if i said i'm going
to the hotel she'd go with me,
i bet you really love her man you think she wouldn't

I'm taking all bets, through all sets i be a bookie
that have to be 10% off the top, fucking rookies.

(Chorus) (Sampled Eminem)

Big and some Pac and you mix them up in a pot
mix them up in a pot, mix them up in a pot
Take some Big and some Pac and mix them up in a pot
mix them up in a pot, what the fuck do you got?

(Fifty!)

Big an, Big and some Pac and you mix them up in a pot
mix them up in a pot, mix them up in a pot

Fifty! (fifty!) Ohhhh! (Ohhh)

All you gotta do is go through my hood,
Southside, niggas like me all up and down there,
on the corners, in the penitentiary, they from southside

they don't know the formula, they aint on the hot 500,
They like me!

(Sampled Eminem Chorus)
