Hey now Hey now Hey now  
Have you ever seen such a beautiful night?  
I could almost kiss the stars for shining so bright  
when I see you smiling I go oh oh ohh  
I would never want to miss this  
Cuz in my heart I know what this is  
[chorus]  
Heynow Heynow this what dreams are made of  
Hey now hey now this is what dreams are made of  
I've got some where i belong ive got some body to love  
this is what dreams are made of .  
Have you ever wondererd what life is about?  
You could search the world and never figure it out  
You dont have to sail the oceans no no nooh  
Happieness is no mystery it's here and now it's you and  
me (yeah)  
[chorus]  
open your eyes(this is what dreams are made of)  
Shout to the skies( this what dreams are made of)
