[Intro]

I'm back on this shit again
This time it's gon take a whole SWAT team to bring me
in
I'm back on this shit again
I'm back on this shit again

[50 Cent - Verse 1]

I had the same vision cat had in '89
So all the work in Southside gon be mine
I got project protection, that's 10 grand a building
Some n-ggas say that's their spot we gon kill 'em
It's all simple math, now add it to automatic
It's filled to the tip of the clip I let it rip
Now run, cover your mother it's on cocksucker
F-ck around, have a peice of your brain blown
Hop up on that long Tre pound, flame throwin?
Now is'nt this a beautiful day, look up
It's Angel skies in Pelican Bay
Surprise n-gga we all dying,
It's quiet after n-ggas get blast on

[Hook]

N-ggas get shooting at me, I'mma come back
I aint let sh-t die down, I'ma come back
I don't give a f-ck who outside when I comeback
N-gga don't go f-cking with me if you don't want that

N-ggas get shooting at me, I'mma come back
I aint let sh-t die down, I'ma come back
I don't give a f-ck who outside when I comeback
N-gga don't go f-cking with me if you don't want that

[50 Cent - Verse 2]

I got a bad Dominican bitch, built like Buffy the body
Got a new coke connect, my mexican little mommy
Got a plan for the cops in the raincoat
Automatic shotgun banging I spray some
Look, I got an NBA b-tch, see me ballin?
She pull up in that Bentley only 4 in the morning
I f-ck like it's my last peice of p-ssy I'm on it
Bitch like Jiffy with the lube she want it

Suck the lights out me, I mean the life out me
I like the way she through it, like aint nothing too it
Now n-gga don't you dare trip over no bitch
After money, thats the number one reason to get hit
F-ck around

[Hook]
