It go down, it go down, it go down  
It go down, it go down  
It go down, it go down, it go down  
It go down, it go down

When it all goes down, and the clips run out  
I bet I make history  
I bet I make history

When it all goes down, and the cops come round  
That murder's a mystery  
That murder's a mystery

It's that gangsta shit, it sound stupid don't it  
Feel like fifty, flocka and gucci on it  
Move grams of this, move o's of that  
Move the muthaf-cking bricks, where the money at  
Bitches scared huh, p-ssy, hold ya strength  
When the beat pop off no controlling that  
You wan' call the cops  
Run call the cops  
Look n-gga we don't care if they comin' or not  
Got the pump in the trunk, n-gga biting a lot  
One buck shot clear the whole block  
Had this bitch taped off make it so hot  
N-gga with a 12 gauge I'm a sure shot  
Call it shell shock when ya ass drop  
Get it shakin' like a muthaf-ckin' rattle n-gga  
Go 'head f-ckin' with me and be a casualty  
You think a n-gga bullshittin, then come and see

When it all goes down, and the clips run out  
I bet I make history  
I bet I make history

When it all goes down, and the cops come round  
That murder's a mystery  
That murder's a mystery

Now while you waitin', all debatin'  
Shouldn't you n-ggas be retaliatin'  
We laughin bout it, you cryin damn

Hit ya muthaf-ckin' homie when his gun jam  
His chest red, his back red  
Man, that n-gga there damn near dead  
He coughin', he weezin'  
Man that n-gga finna stop breathin'  
His momma there, his daddy there  
Hit him by the escalade, get a caddy there  
His shines on him, his dimes on him  
Had hoes all in the club grindin' on him  
N-ggas talkin' bout it, keep talkin' bout it  
Cause they know n-gga don't give a f-ck  
Quit talkin' bout it, for you talkin' bout it  
When the muthaf-ckin pigs show up

When it all goes down, and the clips run out  
I bet I make history  
I bet I make history

When it all goes down, and the cops come round  
That murder's a mystery  
That murder's a mystery
