(feat. Tony Yayo)

[50 Cent:] You want some of this?

[Chorus: 50 Cent]

When you hear that... [gun cocking]

Nigga its on

When you hear that... [gun cocking]

You better be gone

It could be in the late night or in the morn

Shells will bend your ass up word is born

When you hear that... [gun cocking]

Nigga its on

When you hear that... [gun cocking]

You better be gone

It could be in the late night or in the morn

Shells will bend your ass up word is born

[Verse 1: 50 Cent]

You say you a shooter nobody believes you

I don't say i'm a shooter I just shoot if I need to

Gat bust

Adrenaline rush

High off dust

Rap tycoon

Mossberg boom

Nigga I go through ya whole set

I come through ya hood bumpin' Bobby Womack

Old school, new school

Nigga don't move

I run up right behind your ass lightin' up the tool

Nigga what?

[Chorus: 50 Cent]

When you hear that... [gun cocking]

Nigga its on

When you hear that... [gun cocking]

You better be gone

It could be in the late night or in the morn

Shells will bend your ass up word is born

When you hear that... [gun cocking]
Nigga its on
When you hear that... [gun cocking]
You better be gone
It could be in the late night or in the morn
Shells will bend your ass up word is born

[Tony Yayo:]
Yeah nigga
50 nigga
You know what time it is
The Talk Of New York

[Verse 2: Tony Yayo]
I'm like a Mexican drug lord my cash come quicker
I'm sittin' on bricks like a Columbian nigga
Movin' Coke alot of that white shit
On the Amtrak comin' back with this dyke chick
And this white bitch
Man I just bought a nice whip
Chi Chi get that Yayo homie toss that brick
They lovin' my product
They fiendin' to buy it
Man I got these fiends gettin' skinny like Bohemian
Diets
Po Po they creep pass
Man I peep task
They lookin' at my face cause I shoot like Steve Nash
The Llama in the truck
Baby mama baggin' up
Got Medina in the cut
So these fiends ballin' up

[Chorus: 50 Cent]
When you hear that... [gun cocking]
Nigga its on
When you hear that... [gun cocking]
You better be gone
It could be in the late night or in the morn
Shells will bend your ass up word is born

When you hear that... [gun cocking]
Nigga its on
When you hear that... [gun cocking]
You better be gone
It could be in the late night or in the morn
Shells will bend your ass up word is born

[50 Cent:]
You hear that boy Yayo
Ah man

You just 'gon give 'em that for free?
Ah man
