50 Cent Bridge-

Can it be i been away too long (Ohhhh..!!)  
I mean way too long

Michael Jackson (50 Cent)-

Can it be I stayed away too long (I been away man..)  
Did I leave your mind when I was gone (Did you forget  
me?)  
It's not my thing trying to get back (I'm back baby i'm  
back..)  
But this time let me tell you where I'm at (Well i'm in  
Southside)

You don't have to worry 'cause I'm coming (Haha!)  
Back to where I should have always stayed  
And now I've heard the maybe to your story (This is that  
shit right here..)  
And it's enough love for me to stay (Ahhhhhhh...!!!)

Can it be I stayed away too long  
Did I leave your mind when I was gone (I'ma ask you  
again did you forget about me?)  
It's not my thing trying to get back  
But this time let me tell you where I'm at (Southside!)

Chorus:

I wanna, wanna be where you are  
Anywhere you are  
I wanna, wanna be where you are  
Everywhere you are (I said i wanna be where you are,  
Ahhhhhh...!!)

Bridge:

Please don't close the door to our future (We gettin'  
ready to get into somethin..!)  
There's so many things we haven't tried (We gettin'  
ready to get into some shit..)  
I could love you better than I used to (I jus' gotta loosen  
up cause i'm nervous..)  
And give you all the love I have inside (I'm nervous..)

50 Cent Outro-

Now this is all i needed so i can relax  
I'm home now.. Ma i'm home..
