[Lloyd Banks]

Marsh' knows man

Talk tough, 'til you get cuffed and start tellin', damn~!

Everyday I shot a new bitch

And when I'm done with her it'll look like...

[50 Cent]

At first they didn't want me, now they want me

See a nigga gettin' paid they wanna push up on me

You should see these hoes chasin' a nigga

I have 'em in the hotel tastin' a nigga

50 like a lollipop, lick me baby

Then lick Dr. Dre and Shady, OH~!
