"I Am"

While you were sleeping
While the whole world was dreaming
I never left your side
And I can promise I won't be leaving

I watch you breathing
And I hear you singing
I feel your heart beat and I know every pain
That you're feeling

And I am the comfort when you are afraid
I am the refuge when you call my name
I was, I'll be, I am

I know you're broken
You're busted wide open
You've fallen to pieces and you feel there's nothing left
You can hope in

But I'll hold you together
We'll stand the weather
Cause I paid the price for you
And I won't let you go, no never

And I am the comfort when you are afraid
I am the refuge when you call my name
I was, I'll be, I am

And I am the future, and I am the past
I am the first and I am the last
I was, I'll be, I am

I am the Father, I am the Son
I am the Spirit, I am the One
I was, I'll be, I am

And I wore the thorns and I took the nails
I am love, and love never fails
I was, I'll be, I am
I am, I am, I am
