VERSE 1:
Leaving wishes flat
throwing wedding rings
Did you ever think to
come back to me?

Can you see my face
looking through your eyes
seems a place where lights
are black and coal is white.

CHORUS
I miss your lies
I miss your smile
I hope you're gonna change your mind
and chase the moon
to make me fly.

VERSE 2
Give me a reason why
all the words you find
like "I say goodbye",.
are still inside my mind.

Take me to your brain
seeking the other side
where your dreams
come true and things have yet to come.

CHORUS:
I wait for lights
to blind the sun
I wish you broke inside my life
to raise the moon
and make me fly over your rainbow.

I wait for rights in the other size
I wait for nights in a different place
I wish I lived in a red blue house
and I still want you.

BRIDGE:
Blue hazing sky
we need the rain.
As time goes by

we feel the same.
Blue hazing sky
we need some rain.

VERSE 3:
Walking through your streets
drinking wine and beer
show me how you play
the music you can feel.

Take me to your brain
seeking the other side
where your dreams
come true and things have yet to come.

CHORUS:
I wait for lights
to blind the sun
I wish you broke inside my life
to raise the moon
and make me fly over your rainbow.

BRIDGE:

Blue hazing sky
we need the rain.
As time goes by
we feel the same.
Blue hazing sky
we need some rain.
As time goes by
we feel the same.

CHORUS:
I wait for lights
to blind the sun
I wish you broke inside my life
to raise the moon
and make me fly over your rainbow.

I wait for rights in the other size
I wait for nights in a different place
I wish I lived in a red blue house
and I still want you
I still want you.
