Jonna Lee (Chorus)

Million Stars, Million Stars, We could keep hittin'
through the sky like.
Million Stars, Million Stars, We could keep hittin'
through the sky like.
Million Stars, Million Stars, We could keep hittin'
through the sky like.
Million Stars, Million Stars, We could keep hittin'
through the sky like.

Isaiah Gripper (Verse)

Don't ever fade away. Don't ever leave me.
Don't ever change the way, that you see me.
The place of your dreams, is in my arms.
The place I wanna be, is in your arms.
Let's go on a journey. Off to a place called Cali.
Maybe travel to Maui.
Anywhere we go, you're the star.

Jonna Lee (Chorus)

Million Stars, Million Stars, We could keep hittin'
through the sky like.
Million Stars, Million Stars, We could keep hittin'
through the sky like.
Million Stars, Million Stars, We could keep hittin'
through the sky like.
Million Stars, Million Stars, We could keep hittin'
through the sky like.

Jonna Lee/Isaiah Gripper (Bridge)

Million Stars (You're my million)
Million Stars (You're my million)
Million Stars (You're my million)
Million Stars (You're my million)

Jonna Lee (Chorus)

Million Stars, Million Stars, We could keep hittin'
through the sky like.
Million Stars, Million Stars, We could keep hittin'
through the sky like.
