Here you come walkin'™ down the street
dressed to thrill from your head to your feet.
You™ ve got us watching the moves you make.
Good God, little girl, it™ s getting harder to take.

A subtle tease and a toss of the hair
We all want to get closer, but no one dare.
If you keep comin'™ on like you do
you™ ll soon junglize this avenue.

All eyes, all eyes, all eyes, all eyes.

I don™ t care what the other guys are doing
I™ m gonna do things my own way
And when I do, you better believe it girl,
We™ ll be together

Blond hair, black roots, a painted on dress
can make any man forget all the rest
You keep walking like you know that it™ s true
Well you™ ve got what you want,
All eyes on you.

All eyes, all eyes, all eyes, all eyes.

You™ re a livin'™ dream that™ s walkin'™
And girl it™ s so fine
Won™ t be doin'™ a whole lot of talkin'™
When I make you mine, mine, mine, mine, mine, mine.

You keep walking like you know that it™ s true
Well you™ ve got what you want,
All eyes on you.

All eyes, all eyes, all eyes, all eyes.

you could bring me trouble, you could bring me joy.
you could make me bubble, you could make me boil.
and if I said that I loved you, I don™ t know that
that™ s true.
all I know is when I see you walkin'™ thereâ€¦

all eyes on you

ALL EYES
