I got a pretty girl waitin'  
For me to pick her up  
She's a doctor's daughter  
And I'm a rebel son

You might look at us and say why is she with him  
He's a country boy and she's a ritzy princess

Maybe it's my big truck  
Pullin' in her drive  
I ain't into that yuppie stuff  
Just some cold Bud Light

You might look at us and say why is she with him  
He's a rough ole boy and she's a pretty princess

And I'll tell you why,  
I can rock all day and I can rock all night  
I'm a lover a fighter and I can be a womanizer

I can turn her on without all that flash  
Put your wallet back I don't need that cash  
I'm true to myself and I'll be true to her  
So stand back son cause the country boys won

I got a pretty girl waitin'  
For me to pick her up  
We're gonna fly down some backroads  
Slingin' mud in this jacked up truck

You might look at us and say why is she with him  
He's a rough ole boy and she's a pretty princess

Cause I can rock all day and I can rock all night  
I'm a lover a fighter and I can be a womanizer  
I can turn her on without all that flash  
Put your wallet back I don't need that cash  
I'm true to myself and I'll be true to her  
So stand back son cause the country boys won  
Yeah the country boy has won
