**Verse:**

It aint my place, I've tried to stay out of your face,  
But girl, I'm tellin' you...  
He's like a hound, he sniffs around until he's found  
Something warm he can hold on to...  
So the next time you run into to him,  
And he's walkin' down the street...

**Chorus:**

Don't even look (don't even smile), Don't even wink  
(that's not your style)  
Don't even think about bringing him home...  
He's bound to run, (he's gonna stray) It's in his blood  
(he'll never change)  
Can't tie him down when he was born to roam...  
Don't even Throw that Dog a Bone.

**Chorus:**

You cried so hard, he left a scar around your heart  
And now he's back again...  
He thinks you'll fall, don't take his call you've heard it  
all  
When he knocks don't let him in...  
So if you see him out on the town tonight,

And he's howlin' at the moon...

**Chorus:**

Don't even look (don't even smile), Don't even wink  
(that's not your style)  
Don't even think about bringing him home...  
He's bound to run, (he's gonna stray) It's in his blood  
(he'll never change)  
Can't tie him down when he was born to roam...  
Don't even Throw that Dog a Bone.

**Lead:****Refrain:**

So if you see him out on the town tonight,  
And he's howlin' at the moon...

Chorus:

Don't even look (don't even smile), Don't even wink  
(that's not your style)  
Don't even think about bringing him home...  
He's bound to run, (he's gonna stray) It's in his blood  
(he'll never change)  
Can't tie him down when he was born to roam...  
Don't even Throw that Dog a Bone.

Repeat...
