[Verse 1]

Well I was at this party at a quarter to three
When this little lady came and she sat next to me
Maybe she liked my style, guess she liked my flair
Ah well in the next week I'd see her everywhere

And when I looked over my shoulder she was fast
approaching
Some girls are hot but man she was toasting
I finally decided that I'd give her the time
Cuz man she was a perfect twenty way past a perfect
dime

When she came up to me I didn't need to spit game
All I needed was a minute she was feeling the same
I said "I'm a big thing if you know what I mean,
you could come over to my place and you could check
out my scene

[Chorus]

She's like "Oh?"
And I was like "Yeah"
And she was like "Oh!?!"
And I was like "Yeah, Yeah, Yeah, Yeah, Yeah!"

[Verse 2]

And when we got to my place she was all 'bout
romance
Yeah she could tell I was a lover when she checked out
my plants
She said "It's been a while since I met someone like
you,
Now whats someone like me supposed to do?"

I said "I don't know for sure but I got some ideas."
She said "Oh now I see, is that the way it is?"
"Well, I don't mean to be rude but in a week I'm
leaving"

"Boy I'm the same way you best believe it,
But I don't know you and this couldn't be right!"
I said "Girl you'll get to know me by the end of the
night!"

[Chorus]

She's like "Oh?"
And I was like "Yeah"
And she was like "Oh!!!"
And I was like "Yeah, Yeah, Yeah, Yeah, Yeah!"

[Outro]

Let me get a little closer now
Like it when I move your way?
Get a little bit closer now
Do you like it when I move your way?
I said "Come here you, come here yeah you come
here!"
I said "Come here you, you come here, you come
here!"
I said "Come here you, you come here, you come
here!"
I said "Come here you, you come here!"
Yeah, Yeah, Yeah
