[Hook: JT repeat 3x]

I got news for you  
Have I got news for you? Yeah

[Intro: JT]

I'm a misogynistic motherfucker don't you get me  
wrong  
Fuck 'em don't love 'em I'll be over you by the end of  
this song  
Don't doubt my feelings 'cuz what I say's what I'm  
feeling inside.

[Hook: JT repeat 3x]

I got news for you  
Have I got news for you? Yeah

[Verse: T. Gatez]

And this is how I feel:  
This is an apology for all the hearts I've broken  
saw your true feelings acting like I didn't notice  
I been going though a lot but that ain't no excuse  
I can blame it on my past or my substance abuse  
But that wouldn't be the truth  
The truth is I'm a liar  
Use to be the victim now I'm just a victimizer  
Trap you in deceitful word webs like a spider  
Just to get what I want not what my heart desires  
This an apology for making you feel  
Anything less then what you are which is real  
Beautiful, intelligent, Gods gift, heaven sent  
You was tryna take the next step I was hesitant  
Too immature to talk about my true feelings  
But man enough to break the hearts of undeserving  
women  
This is an apology my momma taught me better  
I wanted her to love me but my pride wouldn't let her  
My eyes wouldn't let her see the cries disguised in this

letter

So now my fuckin' mind won't forget her  
Nights that can only be described as love  
Ex laying to the next best known drug  
You were something that I couldn't get enough of  
O.D'd with a kiss relapsed with a hug  
This an apology for giving you the physical  
To your favorite love song stereo-typical  
Then disappearing actin like it didn't happen  
These words ain't loud enough to silence those actions  
So this an apology cuz now my heart is broken  
I know this wouldn't make it any better but I'm hoping  
I'm hoping  
I'm hoping  
Ayo John, sing that, sing that fucking hook man

[Hook: JT repeat 3x]

I got news for you  
Have I got news for you? Yeah.
