THE CALMDOWN REGGAE (& THE CALMDOWN)

[Verse 1]

Is it a pill that makes you crazy?  
Or did your mind just break on the fall?  
I'll try to do my best this time  
But I fear that this is my all

So call me in the morning time  
Cuz I don't think that I'll feel the same  
All this leavings got you on my mind  
just like my ticket on the next plane

[Chorus: repeat 2X]

Guess this is  
The calmdown  
The calmdown  
The calmdown

[Verse 2]

I swear that this won't pass us by  
We'll catch it like a warm breeze  
All this talking's got me off your mind  
I love to put you at ease

So don't worry about the future love  
I'm sure that I'll hatch a plan  
To remind you why we fell in love  
To take you back when it began

[Chorus: repeat 2X]

Guess this is  
The calmdown  
The calmdown  
The calmdown

[Outro: The Calmdown only]

Girl, why are we always running  
from everything that coming?

Girl, will we ever stop now?  
I think that we forgot how.
