[Chorus: JT repeat 2X]

No we ain't never backed down,
Why would we do that now?
We ain't trying to go, go, go nowhere

And we ain't trying to blow up,
Just never want to grow up
We ain't trying to go, go, go nowhere

[Verse 1: T. Gatez]

Hello,
Same kid from the ghetto
Never had much but on a whole 'nother level
I get drunk wit my boys and bad chicks I'm sorry
Cuz I want Ferraris for my whole army
A little money with a bigger dream, Uhh
So far that's been all I need
Real niggaz make a dope team
Still smelling like wooh when we hit the scene

[Prechorus: T. Gatez & JT]

I know I got a little but I want a lot
And I'm still happy with the shit I got
So watch this little bit take me to the top
And I'm always be the same old me

Take a vow to live this party life
This patron got me feeling right
If you feelin' my way, roll up a J
Let me hear you say:

[Chorus: JT repeat 2X]

We ain't never backed down,
why would we do that now?
We ain't trying to go, go, go nowhere

And we ain't trying to blow up,

just never want to grow up
we ain't trying to go, go, go nowhere

[Verse 2: T. Gatez]

I remember being young with no father figure present
So I had to use my pen as my weapon
Mama always working so my ethic shouldn't be in
question
I grew up like an erection, went my own direction
No more standing on the side line
made the team so I'm feeling like its my time
And this is for my people on the 9 to 5 grind
I'm a get it so we all shine

[Prechorus: T. Gatez & JT]

Even though I'm still living at my mommas house
And I'm 'bout to lose my job if I keep calling out
If I inspired emotion, with the words that I've spoken
Put ya blunt in air and let me see what u smoking

I'm in the mood to get wicked
So find some girls who can kick it
And we can party tonight, a celebration of life
Still reading, writing, rapping in my spare time
Ain't nothing changed but name of the airline

[Chorus: JT repeat 2X]

We ain't never backed down,
why would we do that now?
We ain't trying to go, go, go nowhere

And we ain't trying to blow up,
just never want to grow up
we ain't trying to go, go, go nowhere

[Outro: T. Gatez & JT repeat 2X]

Oh ah ah ah ah ah ah ah [3X]
We ain't trying to go, go, go nowhere.
