Verse 1:

Sometimes I think maybe I keep too much to myself
But other times keeping it in seems just so swell.

Pre-Chorus:

And you should probably know.
You'll be the first one I let go.

Chorus:

Get out of my spotlight.
It's taken years for me, but I'm learning to shine.
You want a turn? Spend the time.
'Cause you can't stop somebody who has already
arrived.

Verse 2:

Every single day I get enticed to be a part
Of people who swear that they knew me from the
coffee shop start.

Pre-Chorus:

And you should probably know.
You'll be the first one I let go.

Chorus:

Get out of my spotlight.
It's taken years for me, but I'm learning to shine.
You want a turn? Spend the time.
'Cause you can't stop somebody who has already
arrived.

Bridge:

They told me to turn back before I lost it all.
But if I would have turned back, I would have lost
myself.
They told me to turn back before I lost it all.
But if I would have turned back, I would have lost
myself.
(Myself)

Chorus:

Get out of my spotlight.
It's taken years for me, but I'm learning to shine.
You want a turn? Spend the time.
'Cause you can't stop somebody who has already
arrived.
