Touch me  
Breathe me  
Heal my heart and  
Embrace me

Thrill me  
Kill me  
Tear me apart and  
Destroy me. Now the

Strangers on the floor, they don't dance  
Dance like we used to do, no  
They don't dance  
Dance like we used to

Hold me  
Feel me  
Shear my soul and  
Erase me, oh

If only  
I could be, who  
You wanted me to  
Be. Now the

Strangers on the floor, they don't dance  
Dance like we used to do, no  
They don't dance  
Dance like we used to

Catch me  
Caress me  
Take us back one last  
Time. Now the

Strangers on the floor, they don't dance  
Dance like we used to do, no  
They don't dance  
Dance like we used to. The

Strangers on the floor, they don't dance

Dance like we used to do, no  
They don't dance  
Dance like we used to

All of the time  
Dance like we used to and  
All of the night  
Dance like we used to
