"The Way We Used To Be"

No need for words
No need for hurts
Just our lives and the voices
Of songs we used to

We used to sing
We used to sing

Come play the score
Come back for more
Leave your body shape on the floor
And let me touch your

Touch your core
Touch your core, oh

Bring back the way
The way we used to be
The way we used to be
The way we used to be

Give in to me I
Give in to you
Don't you see it's the only way
We will ever be

We will be free
We will be free, oh

Bring back the way
The way we used to be
The way we used to be
The way we used to be

Reverse this verse
On the floor
Reverse this verse and
Settle the score, oh

Bring back the way
The way we used to be

The way we used to be
The way we used to be
