### "Hit Song"

Yeah, we're gonna make a hit song  
Make people sing and dance along  
Never surrender without a fight  
'Cause it's all going down tonight  
We have to use every trick in the book  
And make a hook so good now  
That it will break on through  
Hitsong, hitsong, a hitsong to save the world  
A hitsong to save the world  
A hitsong to save the world  
So put your mainstream hands in the air  
And go: HIT (song), HIT (song)  
Wo-u-wou, wo-u-wou, wo-u-wou, wo-u-wou  
Wo-u-wou, wo-u-wou, wo-u-wou, wooo-uuuu-wooooo  
Wo-u-wou (A hitsong to save the world)  
(8 times)
