Maybe someday  
you'll be happy...you'll be happy  
and I'll be happy too

Today I am  
sad and lonely...sad and lonely  
living without you

I wish that we could  
stay together...stay together  
I love you

Today I am  
sad and lonely...sad and lonely  
living without you

I wish that we could  
stay together...stay together  
I love you

Maybe someday  
you'll be happy...you'll be happy  
and I'll be happy too

I wish that we could  
stay together...stay together  
I love you
