Aww, nigga do you  
Know what this is  
1 shot, 1 kill, what's the deal  
G-Unit, here we go now

Aww, nigga do you  
Know who you wit  
It's Tony Yayo  
Up in this bitch

Got them German lugers  
Wit them hollow tips  
2 shot rugers  
Wit them extra clips

50 cent, back on that gangsta shit  
On my way, OT to flip them bricks  
In that big, body Benz, you know it's a 6  
Got your bitch on my dick, I stack them chips

And I'm flash, my jewels are sick  
From a block away, you can see the kid  
Don't front, muthafucka, you know my style  
I don't go nowhere without my .40 cal

On the low, shorty got a thang for the kid  
And ya know, I'm finna take her back to the crib  
Here we go, Imma show her how a playa live  
At the door, I tell her take her clothes off, shit

Shorty so seductive, dancing on me  
The way that she move is making me horny  
If I wake up next to her in the morning  
I'ma turn her over and tell her let's do it again

Shorty so seductive, dancing on me  
The way that she move is making me horny  
If I wake up next to her in the morning  
I'ma turn her over and tell her let's do it again

I put the G in G-Unit  
Baby, I got game

Any more good to go  
And I dunno your name

Is it the wheels on the hot car  
Meals from the shot bar  
Or you just wanna quickie  
With a rap star

Ladies tell the truth, you know I'm cute  
But what really turns you on is the rims on my coupe  
Before you jump in my whip and you get dropped off  
Going to the tele and you're getting popped off

I can't stop thinking of the things you do  
When you freakin' me and I'm freakin' you  
I said, the ice on my neck make the shorties stick  
Baby, let me fly you in my whip

Stop, slow down, baby  
If you hear this in the club, shake it, go down, baby  
It's past my curfew but parole don't know  
Tear up the club, don't call my PO

Shorty so seductive, dancing on me  
The way that she move is making me horny  
If I wake up next to her in the morning  
I'ma turn her over and tell her let's do it again

Shorty so seductive, dancing on me  
The way that she move is making me horny  
If I wake up next to her in the morning  
I'ma turn her over and tell her let's do it again

My waves keep spinnin', my charm get major women  
You know them black and them white and them Asian  
women  
Let's cut the small talk, you know why I wrote you  
I can't stand with a dime that's anti-social

Gucci lip gloss, Luio's Vuitton  
And them boots from Beneto Vinetto cost her arm  
Yayo's a don, my car European  
You got mirrors in your pants 'cause I see me in them

Listen, I piss out Cris, inhale haze  
In the Mary eye gear laid all day  
Tattoos and piercings and rings in your tongue  
Shorty things like that will make my black ass comf

I need groupie love, the coupe on dubs  
I'm in this club with a tre pound snub

Don't blame it on David, I'm all iced out  
50 got me rich so the bars priced out

Shorty so seductive, dancing on me  
The way that she move is making me horny  
If I wake up next to her in the morning  
I'ma turn her over and tell her let's do it again

Shorty so seductive, dancing on me  
The way that she move is making me horny  
If I wake up next to her in the morning  
I'ma turn her over and tell her let's do it again
