It's still on, and we're going
He don't want anybody packed
He don't want anybody flexing any muscle

You see what you get, Warriors?
We're gon' rain on you, Warriors!

Let's go

Now we gotta hold ourselves together
We got to
See man, now if we go to pieces
somebody out there's gonna get us

You're standing right now
With nine delegates from 100 gangs
And there's over 100 more
That's 20,000 hard-core members
Forty thousand, counting affiliates
And 20,000 more not organized but ready to fight
Sixty thousand soldiers

Now, there ain't but 20,000 police in the whole town
Can you dig it?
Can you dig it?
- Can you dig it?
- Yeah!

Warriors
Come out to play
[3x]

Can you dig it?

I'm gonna shove that bat up your ass
And turn you into a Popsicle
Come on

Come on, quit playing around
You don't wanna play around with me!
You hear me?!

Goddamn it! Let me go!

Nooooo!

Good news, boppers
The big alert has been called off
It turns out that the early reports
Were wrong, all wrong
Now for that group out there that had such a hard time
getting home
Sorry about that
I guess the only thing we can do is play you a song

Thanks to razvan
