We are gonna kill you (?X)

This is not a life that we in, this is hell
This is not a stoop that we on, it's a cell
Life is not a gift in the hood, it's a charge
Because I made it out, so that makes me a God

Uhu
God!

Because I made it out, so that makes me a God

I'm from the place where hardcore is beautiful

Okay, if you in a club
I advise you to put your drinks down, and head to the
dance floor
Anywhere else will be uncivilized
If you're in a car, pull over
Put the hazards on and let the windows down
This is something the world needs to hear
Let's go

We are gonna kill you (?X)
I'm from the place where hardcore is beautiful
We are gonna kill you (?X)
Let's go

Say what
This is not a life that we in, this is hell
This is not a stoop that we on, it's a cell
Life is not a gift in the hood, it's a charge
Because I made it out, so that makes me a God

Life is not a gift in the hood, it's a charge
Because I made it out, so that makes me a God

This is not a life that we in, this is hell
This is not a stoop that we on, it's a cell
Life is not a gift in the hood, it's a charge
Because I made it out, so that makes me a God

We are gonna kill you (?X)
